Step 2: Your Account Page

- Head to your account page which should look like this.
- Staying under the “Benefits and Services” tab, scroll down until you see the Smart Parking section.
- If, for whatever reason, your smart parking section does not appear, please continue to step 5.

Step 3: Smart Parking Section

- The top section should be your list of registered vehicles. To be ready for W-Park, you must remove all vehicle reg's from your account.
- To do so, first click the arrow on the right of the reg you wish to delete.

Step 8: Removal Confirmed

- Once you have successfully removed all vehicles registrations from your account, you should receive this warning notification in the smart parking section.
- If you do not see it, please refresh the page.
- Once you get this, you are ready to proceed with W-Park.

SMART PARKING

Add a vehicle to be a Smart Parker

Your Vehicles

Add a license plate for each vehicle you want to register.

Add a vehicle

You can now proceed to W-Park account creation.
See the provided guide for details.
